Memory Tree and Wreath Placement

We will again have a Memory Tree with remembrance ornaments in our lobby. These special ornaments are designed to allow you to personalize your ornament with photos, letters, or special mementos that will remind you of your loved ones.

You are welcome to come into the funeral home and pick up an ornament starting December 5, 2011.

We invite you to participate in one of the Wreaths Across America ceremonies, helping us Remember, Honor, and Teach- by thanking a veteran.

We hope you will come and mingle with family and friends, and reminisce in honor of your loved ones. Please mark your calendar and plan to attend.

We sincerely look forward to seeing you.
