

"Your Faithful Companion is Forever Remembered."

We at Musgrove Family Mortuaries & Cemeteries understand that the loss of a dear companion is an unavoidable aspect of animal ownership.

When your pet passes away, you need someone who understands the pain of your loss; someone who can help you say goodbye to your companion in a dignified and loving way.

Our caring, experienced professionals are here to listen and spend whatever time necessary to guide you through the pet memorialization options available, offering the most complete range of pet services to fit any budget.

We give families the information they need to make important decisions and help them through their grief and bereavement after the loss of a pet.
